

TESTING POLICY FOR NEW PATIENTS

Your physician has sent you here for a Nerve Conduction Study/
Electromyography (NCS/EMG) or an Electroencephalogram (EEG).
Gilbert Neurology physicians have not been requested to evaluate or treat
you for your medical condition. Therefore, we will not be able to give you
the results of this diagnostic test today. To obtain your test results, please
follow-up with the ordering physician. Test results will be faxed to your
physician by the end of the day. Thank you for your cooperation.
